Notice of Beginning of Review Cycle

Applications will be heard **June 24, 2015 Meeting** at the Tennessee Health Services and Development Agency Meeting (except for projects noted as **Consent Calendar** which will be heard at the **May 27, 2015 Meeting**).

**Denotes applications being placed on the Consent Calendar.*

+Denotes applications under simultaneous review.

This is to provide official notification that the Certificate of Need applications listed below have begun the review cycle effective **April 1, 2015**. The review cycle includes a 60-day period of review by the Tennessee Department of Health, the Tennessee Department of Mental Health and Substance Abuse Services, or the Tennessee Department of Intellectual and Developmental Disabilities. Upon written request by interested parties the staff of the Tennessee Health Services and Development Agency shall conduct a public hearing. *Certain unopposed applications may be placed on a "consent calendar." Such applications are subject to a review less than 60 days including a 30-day period of review by the Tennessee Department of Health, the Tennessee Department of Mental Health and Substance Abuse Services, or the Tennessee Department of Intellectual and Developmental Disabilities. Applications intended to be considered on the consent calendar, if any, are denoted by an asterisk.*

Pursuant to T.C.A. Section 68-11-1609(g)(1), any health care institution wishing to oppose a Certificate of Need must file a written objection with the Tennessee Health Services and Development Agency and serve a copy on the contact person for the applicant no later than fifteen (15) days before the agency meeting at which the application is originally scheduled for consideration.

For more information concerning each application you may contact the Tennessee Health Services and Development Agency at 615/741-2364.

NAME AND ADDRESS

Parkridge Medical Center
2333 McCallie, Ave
Chattanooga (Hamilton County), TN 37404

DESCRIPTION

A major construction project requiring a capital expenditure greater than 5 million dollars at the main campus of Parkridge Medical Center at 2333 McCallie Avenue, Chattanooga (Hamilton County), Tennessee. The application proposes to remodel and expand floor space of several patients care and support departments, including the addition of a cardiac catheterization laboratory and a bone densitometry unit. The project does not include the addition of major medical equipment, initiation or discontinuance of any covered health care services, or affect the hospital's bed complement. Parkridge Medical Center, Inc. owns and operates five campuses with a consolidated license for 621 hospital beds. The 2333 McCallie Avenue campus, where this project is located, operates 275 of those beds. The estimated project cost is \$61,459,477.00.
